DO/IMS 85-385/1 10 October 1985

MEMORANDUM FOR:

Legislative Division

Office of Legislative Liaison

FROM:

Chief, Information Management Staff, DO

SUBJECT:

Comments on Draft GAO/ISOO Letter on H.R. 2994

I am in complete agreement with the draft GAO/ISOO letter on H.R. 2994. IMS experience indicates the classification provisions of Executive Order 12356 are comprehensive and working extremely well. The position taken by ISOO in respect to the proposed legislation on unauthorized leaks is reasonable.
